WENEETRYHL 3 -- PLOID SPUNI AND THE CITY IN THE SEA.

After surviving the intergalactic Roller-Drome derby – Weneetryhl crashes her spacecraft on an aquatic planet. She soon finds herself in the company of another crash survivor, the rowdy Ploid Spuni.

Together they bring chaos and disorder to a Christian space exploration colony, where the Church over the course of 10.000 years has convinced its inhabitants, that they are the true children of God and that nothing exists beyond the heavens.

The presence of space faring women threatens that secret and the Church will do anything to eliminate our heroines.
