Lift off!!

Now our friends is on there
way in to the space..
But what's that - Kevin have
to take a leak...

So what now?

It's the first time our friends go to Mars. So which way do they have to go?

Can you help them?

Brian, Lloyd, Kevin and Sarah
have finally arrived Mars.
They take a walk to look around.
It seems like, there are no life
on Mars...

Or what do you think?
