TYGE!
MY BIGGER BROTHER...

ALWAYS WITH HIS NOSE
IN A BOOK OR STARGAZING!

LET ME TRY!

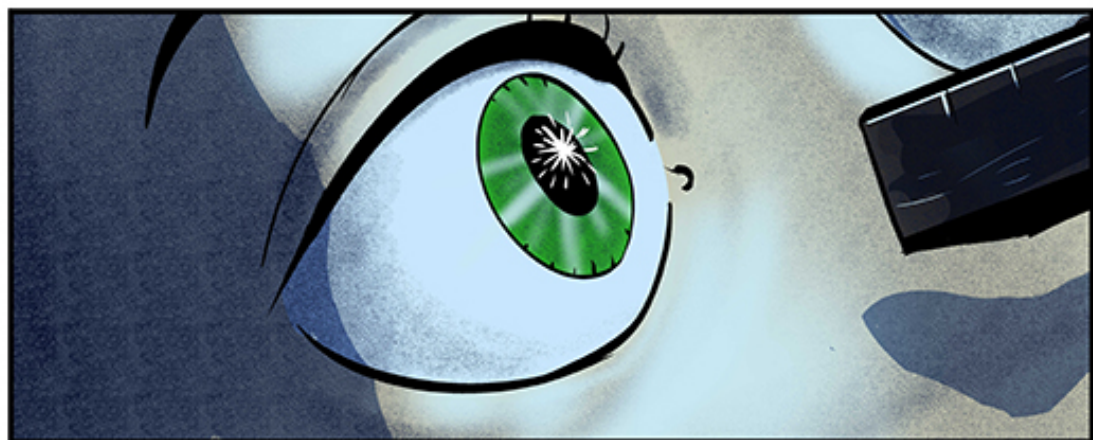

SOFIE!

LET ME SHOW YOU
HOW IT'S DONE

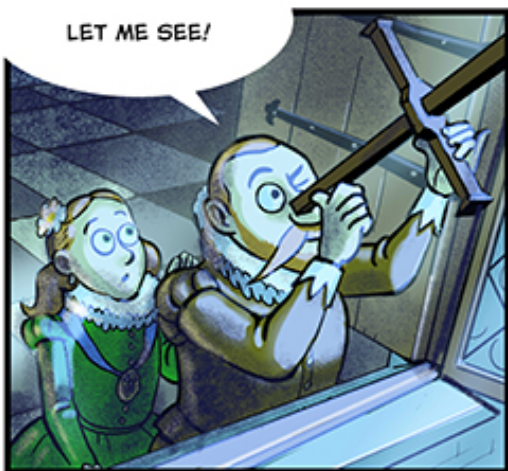

A man and a woman in historical attire are looking at a large star chart on a dark blue background. The man, on the left, is wearing a brown tunic and a white ruff collar. The woman, on the right, is wearing a green dress and a white ruff collar. She is holding a wooden cross-shaped instrument, possibly a sextant or a similar astronomical device, and pointing it towards the stars. The star chart consists of various constellations represented by lines connecting dots of different sizes. The scene is set on a checkered floor.

TAKE A LOOK!
