fishy.

You're coming
with me.

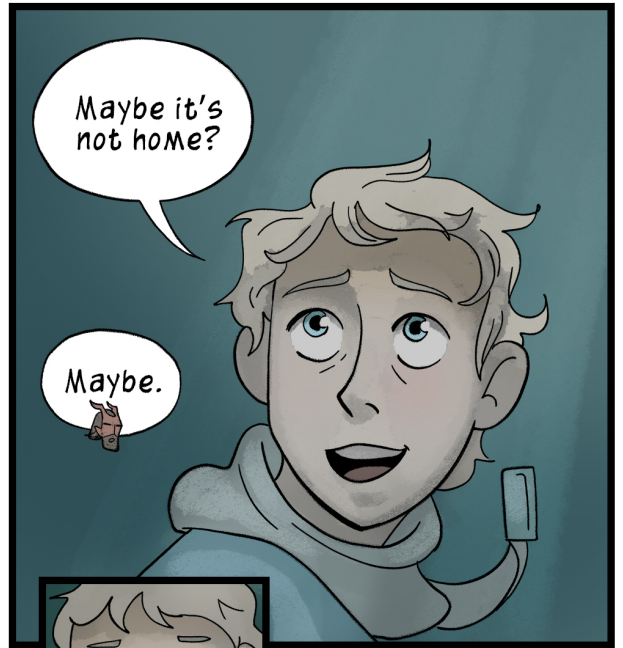

Andree
I think I found
something.

It looks
like a...

Like a nest, right?
But I haven't seen the monster around.

Maybe it's not home?

We should take these.

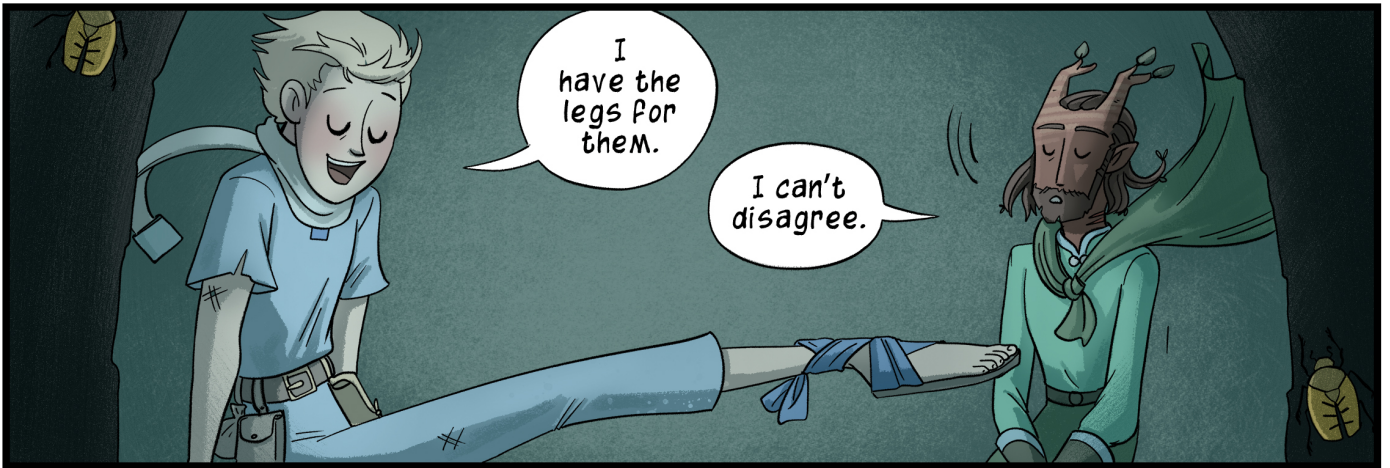

We're going to need new clothes when we get back up from here.

Meanwhile, in the entryway...

Alban?

What are we looking for?

Didn't they tell you?

No?

We have to get rid of a monster or something.

And then they'll help us get a boat.

And we've checked every room.

You could go ask the others?

Gnh-

Alb-

Alban?

Better luck next time.
